

PRESS RELEASE FOR IMMEDIATE RELEASE

Telecorp announces updates

Cheyenne, Wyoming January 5, 2010– Telecorp, Inc., a leading developer of state of the art CRM and Client Contact software solutions; announced today a number of updates

Telecorp has three acquisitions that the Executive Management has deemed suitable and has either delivered a Letter of Intent or is preparing to send one. The companies include the following;

dBI Database Intelligence of Vestal New York, developers of the well known **dBase** and **dQuery** products.

Bytexit of Finland in which Telecorp will secure all their assets for their data storage system.

TBA (Practice Management Software, name held on request). is a doctor, clinic and hospital patient software management system which Telecorp's tools would work well within. TBA is based out New Jersey, USA. Telecorp will issue the company's name once the Letter of Intent has been formulized.

All acquisitions should be completed in the winter of 2010.

The Retail Merchant's of Canada (RMA) and Telecorp has extended their agreement for a 5 year period to sell services to the RMA members of over 60,000 clients. This agreement also gives Telecorp access to various affiliate associations and the Retail Merchants Association of United States. The value of the agreement will be about \$400k first year and then grow to over a million dollars a year after that. This agreement alone represents \$5 million in revenue over the next 5 years.

Finally, Telecorp Inc. is very close to gaining access and being accepted on a global exchange. It is anticipated that Telecorp will be trading within 30 to 45 days.

Please stay tuned.
